What makes Liquidity's micro weddings a major wow?

The Location

Set at the heart of Okanagan Falls and the intersection of two distinct growing regions, Liquidity Wines' setting is a stunning backdrop for your wedding memories. It's embraced by lush vineyards, naturally. Then framed by brilliantly blue Vaseux Lake, and the dramatic McIntyre Bluff. This rugged remnant of the last Ice Age is one of British Columbia's most photographed landmarks.

Liquidity Tip The winery is 25 minutes from Penticton, 35 minutes from Osoyoos, and 75 minutes from Kelowna. We can recommend lots of small group transportation options too.

The Loft Suite

This exclusive VIP residence perches atop the main winery. Its glass-walled sparkle captures birds-eye views. The stylish interior is all sleek, modern simplicity. The Loft is home to two luxe and spacious en-suite bedrooms. Use one for getting ready, the other for your first night of married life. But the real star of any event is the wrap-around deck, perfect for hosting an outdoor ceremony, reception, or romantic, wine-paired dinner.

Liquidity Tip This private retreat is never rented to the public; hosting your wedding, or another group event, here is the only way you can access it.

Lovely Food & Wine

Relaxed sophistication. Understated elegance. Savour each moment of your wedding celebration while you enjoy a delicious gourmet menu together. Liquidity Wines' kitchen showcases premium seasonal ingredients from local and regional producers. The team delivers everything with warm, polished service.

Liquidity Tip Wine beyond the sparkling toast included in your package is charged by the bottle on consumption. You can make your own selections from our current wine list, or our Wine Ambassadors would be happy to recommend popular wine pairings for each course.

MICRO WEDDING FYI

Micro weddings all start after 5 pm. They are offered any day of the week, subject to availability. However, Saturday and holiday weekend dates are limited, seasonally.

While our covered, outdoor venues do allow some flexibility, group size may be subject to change in accordance with current Public Health capacity limits. All guests are required to adhere to any applicable safety measures, such as distancing, seating, and mask-wearing.

The only outside food you may bring in is a wedding cake, decorated cupcakes, or similar. All beverages must be purchased from the winery.
