2019 RESERVE CABERNET FRANC

Bursting with black cherry, cassis, and chipotle spice on the nose, this Black Sage grown Cab Franc is elegant and refined.

FOOD PAIRINGS

Excellent accompaniments would be roast turkey and cranberry sauce, spiced roast beets, Manchego cheese, or rack of lamb or roast beef with Yorkshire pudding

VITICULTURE

Grown on the slopes of Black Sage Bench in Oliver, this block of Cabernet Franc is perfect for our Reserve blend. Small clusters and naturally low yielding vines result in high concentration of flavour, and incredible intensity of fruit aromatics.

WINEMAKING

16 months in French oak compliments the silky smooth tannins, and notes of raspberry and cranberry linger on the finish.
