2021 ESTATE ROSÉ

Ruby red grapefruit and wild strawberries capture your attention on the nose, while succulent notes of raspberry and watermelon rind dance on your palate. Juicy acidity and a delicate floral citrusy vibe linger on the finish, enticing you back for another sip.

FOOD PAIRINGS

Ahi sashimi, summer berry and spinach salad, and the first day of Spring.

VITICULTURE

Grown and picked specifically for Rose, the Pinot Noir for this wine comes from our estate vineyards in Okanagan Falls and Oliver. Each block was picked at the perfect balance of sugar and acid, and at ideal flavours for Rosé

WINEMAKING

Each individual pick of Pinot Noir was hand sorted and whole cluster pressed gently. A small amount of skin contact time allowed for the extraction of the beautiful peachy pink hues, and 100% stainless steel fermentation elevates the crisp, citrus driven aromatics.
