2020 ROSÉ

A bowl of strawberries and cream instantly come to mind. This mouthwatering Rosé also offers up succulent notes of watermelon, crabapple, hibiscus and mandarin orange. Only slightly off-dry, the palate is fresh and focused with berry fruit.

FOOD PAIRINGS

Ratatouille, beet & goat cheese, margarita pizza, spicy sushi.

VITICULTURE

Pinot Noir from 2 of our younger vineyard blocks were harvested specifically for this Rose. Clones 114 and 777 from our Allendale vineyard were harvested in mid-September at 21Brix with the balance of the fruit coming from Oliver.

WINEMAKING

Pinot Noir was harvested, gently destemmed, and lightly crushed to soak on skins for approximately 3 hours. Once the colour and flavour was assessed at optimal levels the grapes were pressed and the juice fermented in 100% stainless steel for a long cool 3-week fermentation.
